

## Plan for Hurricane Relief

We have all been touched by the devastation of Hurricane Harvey on the Gulf Coast. Our desire to help those in need is a Godly one and there will be plenty of opportunities for Westover to be generous. For now, we believe the best way to help is through giving funds to Houston organizations that are in direct contact with those hurting. The following organizations are taking donations to get help where it is needed.

**Bammel Road Church of Christ:** [bammel.org/relief/](http://bammel.org/relief/)

**Ecclesia Church:** [ecclesiahouston.org/helpouston](http://ecclesiahouston.org/helpouston). Click the drop-down menu next to Giving Type and choose "Hurricane Harvey Relief."

**Grace Crossing Church:** [gracecrossing.church](http://gracecrossing.church)

**Memorial Road Church of Christ:** [mcoc.org](http://mcoc.org). Look for "Disater Relief."

**Live Beyond:** [livebeyond.org](http://livebeyond.org). Click the banner at the top of the screen.

In the near future, the water will recede, so will the news cameras, but the need will remain. Westover will take a "long game" approach to helping with the recovery of the gulf coast area. We are currently planning a coordinated effort with Bammel Road Church of Christ and Impact Church in Houston. We have longstanding relationships with each of these churches and will be developing ways to help for months, and maybe years, to come. Please be in prayer for how we, as a church, can be the hands and feet of Jesus to More than Us and More than Here in the Houston area.

Please see back for more info.
