

Prayer Requests

Westover Members:

Julia Black in the hospital due to a boating accident. Go to www.caringbridge.org/visit/juliablack for current updates.

Tim Skupin and his team are in Kashmir on a mission trip with Christian Veterinary Missions. Pray for continued safety, health and protection for the entire team and for God to be glorified.

Bobbye Wilson going through pain management for her back.

Adam Black recovering from back surgery. Prayers for healing and freedom from pain.

Family & Friends:

Tiffany Turner requests prayers for her mom's husband, **Paul**, who was diagnosed with cancer for a second time and is going through extensive treatments at MD Anderson. Recently he failed to get into a study at MD Anderson and his pain levels are high. Prayers for the pain to recede, that they will have more clarity with this situation and peace.

Lucretia Patterson's 4 yr old great-grandson, **Gabriel Selby**, is in serious condition after a ruptured appendix. He is showing some improvement but may need additional surgery.

Bill and Karen Quigley's daughter, **Ingrid**, received great news from her doctors that there is no longer evidence of cancer in her body! The blood work showed normal levels. However, she will continue with her 5th & 6th chemo sessions. She has a follow-up meeting with her cancer specialist in Chicago. We ask for your continued prayers for Ingrid's recovery. As we have seen, intercessory prayer has great power!

Charlotte Wright's brother-in-law, **Tom Wright**, has gone back to work after complications with knee replacement. His wife, **Mary Pat**, is still recovering from complications with a serious infection.

To submit a prayer request, you may check the box on the Welcome Card. Please continue to update prayer concerns by emailing prayer@westover.org. Requests will remain on this list for two weeks from the last update that we receive. An extended list may be found at westover.org. Updated: 6.21.15
