Vicki Roberts' brother, **Randy**, has low white blood counts and plans to begin dialysis at home.

Tiffany Turner requests prayers for her mom's husband, **Paul**, who was diagnosed with cancer for a second time and is going through extensive treatments at MD Anderson. Recently he failed to get into a study at MD Anderson and his pain levels are high. Prayers for the pain to recede, that they will have more clarity with this situation and peace.

Bill and Karen Quigley's daughter-in-law, **Ingrid**, received great news from her doctors that there is no longer evidence of cancer in her body! The blood work showed normal levels. However, she will continue with her 5th & 6th chemo sessions. She has a follow-up meeting with her cancer specialist in Chicago. We ask for your continued prayers for Ingrid's recovery. As we have seen, intercessory prayer has great power!

Charlotte Wright's brother-in-law, **Tom Wright**, has gone back to work after complications with knee replacement. His wife, **Mary Pat**, is still recovering from complications with a serious infection.
