Cal Newnam was recently diagnosed with West Nile Virus. He is in the 1% of those who, when they get the virus, are affected neurologically. He was on life support, but is now slowly regaining his health. He is in rehab at Georgetown Hospital. The doctor said it could be 6 months to a year to fully recover. Please continue to pray for him.

Jasper Proffitt recently fell, and has been experiencing bad pain. He would love your cards and calls! 400 Monaco, Cedar Park, 78613. Their phone number is 512-258-1428.

Family & Friends:

Alyssa Ferguson's MRI results are different than originally reported. Unfortunately, they did find the beginnings of a tumor growing on the base of her spine. From the family: "Please pray that Alyssa does not lose hope, but remains determined to beat this." For more, visit: carepages.com/carepages/AlyssaWinsUpdates.

Let's not forget those who can't come to church as often, due to health issues. Please continue to keep them in your prayers.

Mildred Blasdell, Ed & Virginia Fry, Doris Grant, Billie Hall, Ocie McConnell, Peggy Rodrigues, Nozik Smith, Shirley Strickland, and Wanda Thompson
