

1. How do I start a new care group at Westover?

- Care Group shadowing
- Build your core team (6-10)
- Launch an "open chair" group
- Start your group with a 6 month commitment
- Be a group that checks in once a week with each other.

2. What questions should a new care group leader ask during the months of preparation?

- What stories do I want to leave behind from past small group experiences?
- What stories do I want to bring to my new small group experience?
- Who is our target?
- What is our purpose?

3. How do I find people to be in my group?

- Ask your friends and neighbors.
- Westover members in your area, not currently in a Care Group.
