For all parents, volunteers, and teens involved with Westover Youth!

Here is a compilation of answers to some frequently asked questions regarding the youth ministry. If you have any remaining questions regarding this information, please feel free to consult the youth TV (in the Westover foyer), the Westover website, the Youth Facebook Page, Sunday bulletin, or email the following:

Christian Pimentel: christian@westover.org

Kathrine Pimentel: kathrine.pimentel@westover.org

Westover Hills: info@westover.org

Definitions:

Huddle Party Hosts: Hosts sign up to have events in their homes. Parents or other activity hosts **MUST** be a member at Westover for at least 6 months and complete Westover's KidSafe training course and background checks prior to volunteering for any event including children 18 years and under. For more information, please email kidsafe@westover.org. If you have signed up to host a youth group activity other than a devotional, you will need to provide food for the event. Kids should bring money for food, but additional reimbursement is available if your costs exceed the contributed cash. Should you need any assistance (estimating attendance, menu ideas, event details, etc.), email youth@westover.org.

Huddles: A care group for high schoolers held on Wednesday nights from September - May. High schoolers are broken into huddles according to their respective grades.

Huddle Leaders: For each huddle there are at least two KidSafe couples that make a five-year commitment to one group. Huddle Leaders begin with the freshmen class and stay with that same class through the completion of their first year in college.

Sponsors: Parents or other activity sponsors **MUST** be a member at Westover for at least 6 months and complete Westover's KidSafe training course and background checks prior to volunteering for any event including children 18 years and under. For more information, please email kidsafe@westover.org. If you have signed up to sponsor a youth group activity, you will need only to arrive @ Westover (unless elsewhere specified) 15-minutes early to help corral the teens and provide supervision during the activity. Bringing your own teen-friendly vehicle to help with transportation is always a potential help as well.

Time to Bind: A very special tradition at Westover where after every teen baptism the entire youth group surrounds the new believer on stage during worship. We

pray and sing over the new believer. This happens at the end of service. This allows as many teens and adults as possible to participate.

The Youth Group: The youth group includes all teens in Middle School and High School (6th-12th grades). Class promotion is at the end of every school year.

Events:

Bordine's: This is a Sunday night, youth-led worship gathering for high school students. It is held at Les and Heatherly McDaniel's House (6408 Cerro Cove, Austin, TX 78731). Students often go out to eat afterwards. Parents are responsible for monitoring who they ride with to and from the McDaniel's.

Worship Stew: A special youth-led worship time at Westover. Worship Stew is held once a month on a Sunday night for HS and MS students.

Girls' Bible Study: This is held weekly and designed to give our teens an opportunity to discuss issues of faith as they pertain uniquely to women. It is led by Kathrine.

Girls' Retreat: This is a fun, outreach-oriented lock-in for girls grades 6-12. We spend time worshipping, praying, and hearing testimonies about matters pertinent to young women today. We also have a pajama fashion show, games, a dance party and lots of silliness!

Guys' Bible Study: This is held weekly and designed to give our teens an opportunity to discuss issues of faith as they pertain uniquely to men. It is led by Demetrius Colins.

Inklings: This is a high school discussion group centering on theology, philosophy and science, intended to help students address hard questions and doubts. Students of all faith backgrounds are welcome. Inklings meets once a month during the evening at Genuine Joe Coffeehouse on Anderson Lane.

Manliest Man Retreat: The guys' retreat focuses on issues specifically applicable to middle and high school guys' lives. We'll spend time in discussion and honest communication about God's call on our lives. We'll also eat lots of junk food and probably play some video games. The guys' retreat is designed to meet guys right where they are!

Retreats: Held twice a year, once for middle schoolers and once for high schoolers. This is a time to get away for the weekend and focus on our relationship with Christ and each other. Retreats are traditionally held at Camp Hensel in Marble Falls, TX. For both retreats, we load and leave on Friday nights at 6:30PM and return on Sunday afternoon after 2nd service at Westover.

Camps and Mission Trips:

Middle Schoolers attend Abilene Christian University's (ACU) camp **MPulse-1**. The MPulse experience is an unforgettable, community-building week for middle school students. MPulse addresses the growing need for a bridge into the faith community for middle schoolers. Working in peer groups led by adult volunteers and camp staff, MPulse campers ask and answer questions using the Word of God, practice spiritual disciplines to deepen their faith, relax and bond through team-building games, and worship together in a variety of settings. In this active learning environment campers are encouraged to live in community with other Christian believers and work together to make a difference in the world around them. MPulse takes 250 teens who stay in the dorms on the ACU campus. MPulse is for teens that have completed 6th-8th grades.

Camp Buckner is a camp toward the end of the summer designed exclusively for middle school students. Students spend a lot of time in worship and spiritual disciplines as they learn to deepen their relationship with God. The grounds at Buckner are perfect for middle school students, complete with a huge water slide, high ropes course, pool for swim-in movies, and a blob! Camp Buckner is one of the most popular and fun activities of the summer.

High Schoolers attend ACU's **Kadesh-2**. Kadesh Life Camp is designed for high school students to experience faith with their heads and their hearts. To do this, students are challenged to work out their faith in small group discussions, group presentations, service projects, and exciting and unique devotionals. The curriculum is focused on a single theme, and each day students work in their small groups to gain a fresh perspective applicable to their everyday lives. Kadesh Life Camp is more than just another camp; it's faith coming alive in the hearts of a generation at a turning point in their spiritual journey. Kadesh takes 250 campers who stay in the dorms on the ACU campus. Kadesh is for teens that have completed 9th-12th grades.

We participate in several **mission trips** throughout the four years of high school. The Peru Mission Trip is designed to allow our juniors and seniors to work with children in a Peruvian orphanage, forming relationships and teaching them about Jesus. This is held every other year during Spring Break. The Wyoming Mission Trip allows us to work with the Shoshone Head Start program and a local church in the city of Lander, Wyoming. This is held every other summer and is open to all high school teens. The Impact Mission Trip is held every Spring Break and allows us to work with Impact Church of Christ in Houston to facilitate a weeklong VBS for inner city kids.
