### Better Together Growth Group

*Sunday, August 14th, 10 AM*

A new Growth Group created to bring together married couples with no kids at home. This group will seek to create a space for couples to explore their pursuit of God together in ways that will encourage each other and foster stronger marriages. This group may be for married couples, but covers much more than just marriage content. This class will begin on August 14th in room C209 at 10 AM.

### Reading the Bible for Life Lessons

*Sunday, August 21st, 10 AM*

When people believe in God, they understand that the Bible is a valuable resource to their spiritual growth. While the message of the Bible is simple, sometimes the 66 books that make up the Bible can be complex. At the very least, their origin in a different time and culture can cause them to feel distant. What if believers were better equipped to plunge into the text of the Bible with more confidence and proficiency? What if they were able to work through Scripture in their households, to more adequately instill faith in the next generation? These are the goals of the study. This study will begin August 21st in room C203/204 at 10 AM.

## WHAT'S HAPPENING

### Westover Helps

We want to thank everyone for the peanut butter donations! It was just enough to help us get by until more was available from the food bank. Our pantry is now in need of dry cereal. Donations can be dropped off at the office anytime between 8-5, Monday-Thursday, and 8-12 on Fridays. Thank you again for your continued support!

### Christian Response for Racial Reconciliation

We are all grateful to live in the post-Civil Rights era, but we still see the evidence of racial tension. What is the Christian response to a world that appears to be ripping itself apart? This study does not provide all the answers, but it offers a starting point for people to become part of the conversation that can lead towards a better tomorrow. This four-week study will begin August 21st in room C201 at 10 AM.
