We appreciate that the addition of an instrumental worship service can create some difficult conversations with extended family. To help you walk through these conversations, we'll offer a 4-week series that will equip you to talk with your family about this change in the most constructive ways possible. This class continues today.

Be part of the orientation to learn how the Body of Christ in Greater Austin has united to meet the emotional, physical & spiritual needs of those affected by disaster! To register, visit westover.org or stop by the booth in the lobby.

Reese Family Campaign Group

Danny and Katie Reese would like a campaign group of about 4-6 people to come and visit them this summer (first two weeks in July) in Angola. This is open to the entire Westover body. You will be visiting the Reese family and seeing their work in Huambo, Angola for a few days, getting to see where they live, and meeting the people with whom they work. The visa application process takes a long time and needs to be started soon to have visas in time for the trip. For more info, please contact Jeffrey Hejl at jeffreyhejl@hotmail.com.
